Property Owner Statement

If you are hunting on private property, have the property owner complete the next portion. If you are hunting on public lands or your own property, this section does not apply.

Name: _____ Phone #: _____

I certify that I am the owner of the property listed above and that it is zoned as listed above. I give permission to the above listed applicant to bow hunt for whitetail deer on the above listed property during this bow hunting season.

Landowner's Signature

Date

Pursuant to Ord. 11-2-1, bow hunting for White Tail Deer may only take place in the Village under WI DNR rules and regulations and only in areas zoned as vacant, institutional, agricultural, rural residential, natural areas, and public recreational. Any hunting stands or trail cameras must be removed from Village owned land by the end of the season or may be subject to disposal by the Village. This permit is only valid until the end of the bow hunting season during which it is issued. This permit may be revoked by any law enforcement officer for violations of ordinance or DNR regulations.

You must carry a copy of your permit when hunting.
